If the membership application is not submitted by the deadline, the presentation will be canceled. This requirement does not apply to coauthors, discussants, or invited participants.

As an exception, non-members who are not residents of Japan may present papers or participate in the conference without becoming NFA members by paying a registration fee of JPY 10,000. The registration fee must be paid by **Monday, May 11**. If payment is not confirmed by the deadline, the presentation will be canceled. The Association will not provide any support for visa applications.
